

Whitfield County Schools

Title I District Instructional Coaching Services

Federal Programs has funded three Title I Instructional Coach Coordinators. These individuals are available to work with staff in Title I schools across the district with the purpose of supporting the improvement of instruction through job-embedded professional learning, data analysis, collaborative planning, and mentoring.

According to the National Archives and Records Administrative (2009), job-embedded professional learning requires “a direct connection between a teacher’s work in the classroom and the professional development the teacher receives.”

WHITFIELD COUNTY SCHOOLS

Dalton, Georgia
SINCE 1872

Vision

We envision a valued and dynamic school district that prepares students for success in a global community.

Mission

Our mission is to maximize student learning by providing challenging and engaging educational experiences in a safe and supportive environment.

Beliefs

1. We believe the needs of students, personnel, families, and the community are best met with a unified direction.
2. We believe our purpose is to lead students to success by engaging them in challenging and meaningful work.
3. We believe teachers are leaders who design learning experiences for students.
4. We believe our personnel, families, and community members are vital to the education of our students.
5. We believe in creating and maintaining a safe, inviting, and inclusive learning environment where everyone is treated with dignity and respect.

Strategic Planning Goals

Instruction & Assessment

Provide the educational foundation and opportunities to accelerate all students to achieve expected or high academic growth.

Community Involvement

Strengthen school, family, and community partnerships.

Highly Qualified Personnel

Recruit, retain, and develop highly-qualified personnel.

Operations

Provide safe and efficient facilities, maintenance, and transportation services.

Finance

Ensure fiscal stability and increase reserves through sound financial practices.

Technology

Improve student academic achievement by strengthening technology integration.
