# Vision, Mission, & Beliefs

*Building on a Tradition of Excellence*

## Vision

We envision a responsive school district that is focused on students and that is valued and respected by the community.

## Mission

Our mission is to increase student learning by providing students and staff with meaningful, challenging, and engaging educational experiences in a safe and supportive environment.

## Beliefs

1. We believe in our school district having an innovative unified focus resulting in it being responsive to the needs of students, parents, and the community at large.
2. We believe that our core business is providing students with engaging, challenging, and meaningful work.
3. We believe that the role of teacher is leader and designer of engaging, challenging and meaningful learning experiences for students.
4. We believe that all of our personnel, parents, and other community members are vital to the education of our students whose attention and commitment must be earned.
5. We believe that all of our students, personnel, and parents deserve a safe, inviting, non threatening learning environment where they are treated with dignity and respect.
